Coach Carter and the men’s program at Western Connecticut State University will provide your child with an intense week of skill development and games.

**COACH CARTER**  
Player Bio- Coach was a 4-year starter in high school. She earned All-State honors three of her four years at Lebanon HS. She then attended Western Connecticut State University. She was also a 4-year starter at WestConn, earning All-Conference honors in her junior and senior years. In her final season at WestConn she was named captain and led the team to a ranking of third in the final national polls. As a coach Carter is a proven winner. She has coached in the academy, travel and premiere settings. Melendez Tennis Camp
2nd – 8th Grade
August 11 – 15
8:30am – 12pm

THE MELENDEZ DIFFERENCE
Since 1999, Melendez Tennis has been celebrated as Fairfield County's premiere tennis camp for boys and girls entering grades 2-8. Our camps boast small group instruction, weekly progress reports, live video stroke analysis, and fun off-court games. Our goal is to create skilled, mannered and passionate players of the game! Please go to melendeztennis.com or summeratwooster.org for additional information.

DAILY THEME

“Meeting” Monday
We get to know each camper as a person and as a player. Homogeneous groups are formed on the basis of age and ability. Emphasis is placed on building spirit on and off the court.

“Target” Tuesday
We focus on consistency and ball placement through the use of target hitting. Campers have the chance to win fun prizes.

“Wacky” Wednesday
By far, one of the most exciting days of the week, campers have the option of participating in our famous “Wackiest Costume” contest. Kids of all ages (and even our staff) love letting their imaginations and creativity run wild.

“Theater” Thursday
Each camper is individually videotaped using our iPad and then the footage is reviewed on court with each camper by the Director to provide biomechanical feedback.

“Fun” Friday
As the perfect culmination of our week together, campers and their parents are invited to watch our staff go head-to-head in a single elimination tournament. Each camper then receives a personalized award and an individual progress report at our award ceremony.
